

Specializing in Customized HVAC Solutions

#### Air Curtains / Door Heaters

- DH Door Heaters
- WAC Air Curtains

#### Fluid Coolers

- Commercial / Industrial
- Finned tube heat exchangers
- Custom engineered refrigeration
- Heat transfer equipment

#### Infrared Tube Heaters

- Low Intensity
- High Intensity
- Electric
- Patio Heaters

#### Coils

- New / Replacement
- Commercial / Industrial
- Plate Fin Heating & Cooling Coils
- Dry Coolers
- Air-Cooled Condensers
- Hot Water Duct Coils
- IFB, VIFB, MV Integral Face and Bypass Coils

#### Fan Coil Units

- Standard Fan Coil Units (200-2000 CFM)
- Horizontal Large Units (CFM)
- Vertical Units, Vertical Wall Recess (VWB)
- Vertical Fan Coils Utility/Closet (400-2200 CFM)

#### IR Wireless Controls

- Programmable thermostats
- Non-programmable thermostats
- Unique retrofit options

#### Incremental Units

- Commercial and Residential
- Thru-the-wall Replacement
- Air Conditioners, Heat Pumps
- Gas Fired Units

#### Unit Heaters

- Industrial / Commercial / Residential
- HU, HCF, and HCR Unit Heaters
- HMS, HMG High Mounting Series Unit Heaters
- GA Gas Assemblies
- HLC High Level Circulators
- FA Series
- UH Series

#### Air Handling Units

- SAS Steadyair® Make-Up Air Units
- FAS Fresh Air Supply Units
- WDF Direct-Fired Gas Heaters

#### Water Source Heat Pumps

- Compact Horizontal, Vertical
- Single and two stage water-to-water
- Console water to air
- Large vertical water to air
- Rooftop water to air
- Condensing unit

#### Humidifiers

- Steam humidifiers (heater element & electrode style)
- Steam generators (heater element & electrode style)
- Pressurized steam systems

#### Replacement Tube Bundles

#### LED Lighting
